Professional Experience

Kyle Baird represents individuals, companies, and non-profit organizations in a variety of corporate and transactional matters. Kyle's practice and experience spans a variety of business, commercial, and real estate matters including:

- Counseling clients on a wide range of business and legal issues, including business formation, corporate structuring, and financing; and
- Negotiating and preparing operating agreements, purchase and sale agreements, loan documentation, employment agreements, and confidentiality agreements.

Prior to joining Wegman Hessler, Kyle represented public and private clients in matters concerning commercial litigation, public and private financings, and various corporate matters.
